EXPERIENCE

Redd Apps India Private Limited, Hyderabad, India — *Software engineer*

JANUARY 2020 - PRESENT

As a UI/UX designer, I'm dedicated to crafting seamless and visually captivating digital experiences. With a keen understanding of user behavior and a passion for aesthetics, I create interfaces that are both intuitive and visually appealing.

Foyr, Hyderabad, India — 3D Modeler

MAY 2019 - DECEMBER 2019

I'm a skilled 3D modeler in the realm of interiors & Exteriors, bringing creativity and precision to every project. With a knack for translating concepts into three-dimensional masterpieces, I provide clients with a tangible preview of their ideal spaces.

Custom Furnish, Hyderabad, India — 3D Visualizer

MAY 2015 - APRIL 2019

As a 3D visualizer in interior design, I specialize in transforming concepts into lifelike, immersive spaces. With a keen eye for detail and proficiency in cutting-edge 3D rendering tools, I bring designs to life, helping clients visualize their dream spaces.

EDUCATION

Liverpool John Moores University, United Kingdom — *M.Sc in Computer Science*

MARCH 2023 - OCTOBER 2024

This program typically focuses on becoming proficient in various programming languages, frameworks and tools used to create dynamic and interactive web applications.

Osmania University, Hyderabad — *Bachelor of Arts*

JUNE 2012 - MARCH 2015

The B.A program maintains high academic standards, encouraging critical thinking, research skills and intellectual development.

PROJECTS

Digital Menu Delight — *Detailed dish information*

The “Digital Menu Delight” project intends to deliver an enhanced digital menu that simplifies the dining experience and boosts customer satisfaction, ultimately benefiting the restaurant's competitiveness.
